

NACEX CARD

Clients that have sales networks and/or technical services, will be able to have access to the use of our network of franchises, hubs and **NACEX.shop** points as pick-up and delivery points for goods.

- Customer management for collaborators with access to **NACEX CARD**.
- Identification using an ID card (DNI), phone or any other method authorised by the company.
- Online maintenance of the authorised collaborators database.
- Separation by service, area, weight and parcel.
- Invoice broken down by collaborators and departments.
- Online access to usage information.
